Subj.: Establishment of Vaniki Helpline (वानिकी हेल्पलाइन) in Forest Research  
Institute, Dehradun-reg.

Sir/Madam,

Forest Research Institute, Dehradun is a pioneer institute in South Asia in the field of  
Forestry Management, Research, Education and Conservation. The institute is poised to achieve  
greater heights in finding solutions to forestry and environmental problems of the country.

For speedy transmission of technology and latest technical updates to different stake  
holders as well as for resolving their diverse forestry related problems, the **Forestry Helpline** or  
**Vaniki Helpline** (वानिकी हेल्पलाइन), has been established in the Extension Division, Forest  
Research Institute, Dehradun. It will work as call centre for receiving the problems and giving a  
solution thereupon.

The Telephone No. of **Vaniki Helpline** is 0135-2752686 which would be operational 24x7  
hours. During the off hours and holidays an answering machine attached with the telephone will  
record the identity and narrative of the caller. The Institute will do its best to address the quarries  
raised by different Stakeholders at the earliest possible through telephone/E-mail/post.

Therefore, you are requested to give wide publicity of **Vaniki Helpline** (वानिकी  
हेल्पलाइन) among different stakeholders, so that the forest department officials, farmers and other  
stakeholders can seek help for forestry related issues faced by them.

With Warm Regards,

Yours sincerely,

(Dr. Savita)
