

# JAMTARA FOREST DIVISION, JAMTARA

## *Good Practices*

©AjinkyaBANKER\_photography

## Good Practices

1. *Convergence With Other Departments.*
2. *Seed Collection From Forest Areas: Biodiversity Conservation*
3. *Nature Trail At Raghunathpur*
4. *Forest Fire Management: Mahua Collection Umbrella*
5. *Birds Of Jamtara: Documentation And Conservation Awareness*
6. *Capacity Building Of Field Staff Including Cattle Watchers*

## 1. Convergence With Other Departments

- **Fisheries Department: Farm Ponds Constructed under NAFCC project and Entry Point Activities**

## Agriculture Department:

1. Soil Testing and Soil Health Card
2. Vermicompost
3. Cattle Shed

# Convergence with UNDP project

## 2. Seed Collection From Forest Areas: Biodiversity Conservation

Powered by NatureCam

## **Benefits:**

- Bidiversity Conservation- Nobody To Plant Wild Varieties Of Plants Except Forest Department
- Conservation Of Local Species/Local Gene Pool
- Income To Local People
- Keeping Cattle Watchers Engaged On Field, etc.

### 3. Nature Trail: Raghunathpur

## Nature Trail: Raghunathpur

## 4. Forest Fire Management: Mahua Collection Umbrella

## 5. Birds of Jamtara

- Documentation Of Around 130 Bird Species Including Migrating And Threatened Species...highest Ever For The Division Till Now
- Network Of Birding Enthusiasts-staff, Drivers, Teachers, School Children, JFMC Members, Villager, Etc
- Bird Protection, Rescues Activities

# Book:

## BIRDS OF JAMTARA

### ABSTRACT

Record Of Around 130 Species Of Birds Observed in Jamtara Forest Division During 2020 To 2022

By Ajinkya Bankar, IFS  
DFO-Jamtara, Jharkhand

## 6. Capacity Building of Field Staff

- Protection Activities, Intelligence Network
- Continuous Sensitization Towards Wildlife Conservation
- Snake Rescue Training
- Bird Conservation Training
- Shramdaan Along With JFMC Members And Villagers For Constructing SMC
- Seed Collection
- Training For Driving Elephants
- SMC, Organic Farming Training On The Sidelines Of NAFCC Project
- Solar Light Repairing Training

# Continuous sensitization towards Wildlife Conservation

- Identification, Importance
- Threats
- Protection
- Conservation

# Training For Driving Elephants

# Snake Awareness And Rescue Training

## Shramdaan: Local Staff Along With JFMC Members And Villagers Constructing Gully Plugs

## Impact:

- Local Intelligence Inputs
- Increased Reach Of Forest Department In The Division Amidst Acute Shortage Of Regular Staff
- Documentation Of Wildlife With The Help Of Increased Reporting E.G. Presence Of Spotted Deer In Some Areas, Migratory Birds Etc
- Number Of Rescues Of Snakes, Birds And Other Animals Highlighting Rising Awareness
- Goodwill During Human-wildlife Conflict Situations

**Thank You**
